Are you ready for more?

Wholehearted Women are a global community of women who take a wholehearted approach to their health, lifestyle, self worth & business.

Wholehearted Women (WW) allows everyday women to take charge of their lives and cultivate healthier habits in their homes, whilst igniting more purpose, passion, time freedom, flexibility and financial abundance.

Through new-age business, savvy communications, online expertise and creative mentoring, we coach our partners to launch and run virtual businesses from home, based around their global health programs & nutrition support products. We ditch boardrooms for the beach and most meetings are done in activewear, whilst sipping smoothies #notevenkidding.

Our new-age approach to 'work' brings a refreshing energy to thousands of women around the world who have felt a niggling flame to do something more with their life, but just don't know where to start.

Paving a way for a generational shift from the traditional "9 to 5" work force and embracing the online realms through organic inspiration, we're passionate about helping women find their voice, confidence, power and belief - so that they can do life on their terms and step into their greatness.

The team at WW are all business partners, friends, cheerleaders, visionaries, and women who just one day decided to take their success into their own hands and ignite more purpose and passion in life!

The WW community is home to world-class mentors, business coaches, self development gurus and strategic advisors - who have crafted a new age business platform that successfully leads casual passion projects and side hustles right up to six figure annual incomes. WW partners have peace of mind knowing they can plug into all of this guidance and support with tools, content and resources provided.

Partnership FAQ

What do you do?

We are a community of everyday women who love getting healthier, happier & levelling up in life! We share our journey to inspire others and empower the next generation to come back to basics when it comes to food, fitness, nutrition & mindset. In addition to our global health mission, we love to help others create more time freedom, abundance, reduce stress & live life in accordance to their highest values too. (AMAZING, right?!)

How do you do that?

Through our global health programs, online community, expert wellness coaches, mindset guide & plant based nutrition support. Our ambassadors proudly represent all that we offer and are shown how to empower others who are interested in levelling up in their health and wellness. (Yes, it's *that* simple!)

Our nutrition range and business vehicle is backed by one of the world's largest and most researched plant based nutrition support companys, Juice Plus+.

Partnership FAQ

How much time would I need to invest?

The answer is simple, as much or as little as you like. There are no minimum commitments. You can join just to get NHC cheaper and be part of the community and trainings & attend workshops, you can join to create an extra stream of income around your current work & be part of a movement making a global impact or you might seek a career change and feel drawn to be a full time, new age entrepreneur. The choice is yours! (Flexibility is our middle name !)

I'm not confident on social media.

Neither were we when we first started. We provide all of the tools, content, resources and coaching to show you how to share (not sell #cringe) with ease, grace & flow. Usually what's holding you back is confidence within yourself & we'll also show you how to self ignite that, sister. (Get ready to transform and feel on purpose with an extra spring in your step !)

Partnership FAQ

Is it one of those pyramid things?

NO!!!! They're illegal, but thanks for thinking I'm such a rebel!!! We're an Online Franchise Business vehicle. 100% virtual. (New age business marketing is where it's at!)

Is there a sign up fee?

YES! All partnerships are \$55AUD which gives you 12 months membership to our community...not even kidding...THAT'S IT!!!

That gives you access to our coaching, support, blueprint system, weekly mindset and business training with myself and our industry leading coaches, receive your own virtual office, website, get an immediate 10% off our products & programs.

Every partnership allows freedom to merge into the other partnerships in alignment with your visions.

Partnership FAQ

Are there any prerequisites?

The only prerequisite required is a loving heart, fire to grow & all members must choose a minimum of one health package to start raising their health & energetic frequencies instantly.

What if I want to join but just take it slow?

YES! That means you've read this far and are considering it 😊. We're on a huge mission to empower families to live with more health, vitality and freedom and our message is stronger when we unite! As we said above, you choose your level of commitment, darling. There's no pressure or expectation. You walk, we walk. You run, we run.
